GOLF "FORE"
the kids!
Dear Esteemed Partner,

We are excited to announce that the Dr. Frank Villalobos Fall Golf Classic will return to the Aliso Viejo Country Club on Monday, October 18, 2021.

Dr. Villalobos founded this tournament with the vision that children with visual impairments could overcome any obstacle if given the right tools. Beyond Blindness is honored to carry on his legacy of service and philanthropy. In 2020, golfers helped impact the lives of over 300 families.

Every year, more than a hundred golfers, sponsors, and supporters from the OC business community come together to make his vision a reality. **Will you join our exciting and bold effort to redefine service for children with visual impairments and their families by becoming a sponsor for the 2021 Dr. Frank Villalobos Fall Golf Classic?**

With your support, Beyond Blindness guides families through a comprehensive Journey of Care that makes sure children always have access to key services, and families always have access to support, counseling, and education to support their children and keep their own health and wellness in check. With you, Beyond Blindness aims to double its impact to serve even more families while also positioning ourselves as the primary resource for families of children with visual impairments and other disabilities.

**Please take a moment to review the following pages for more details and consider joining us this year.** Thank you for your consideration and support.

Sincerely,

Angie Rowe
BCLC President/ Executive Director
