Building Bright Futures for Children

VISION BEYOND SIGHT

FUNDING THE FUTURE

February 29, 2024 | Mile Square Golf Course
10401 Warner Ave, Fountain Valley, CA 92708

Dear Valued Partner,

Beyond Blindness, the region's leading provider of early intervention, education, enrichment and family support services for children with visual impairments and other disabilities, will be hosting its annual Vision Beyond Sight Gala on Thursday, February 29, 2024 at a new location, Mile Square Golf Course, in Fountain Valley.

We would be honored and thankful to have your support for this event that directly impacts children and families in Orange County. We delivered the most innovative and advanced Journey of Care™ to more than 1,257 individuals in 2023 and – with your help – will reach our bold goal of serving more than 2,680 children and family members by 2027.

Our 2024 Gala promises to be the best yet, with keynote speaker World Blind Golf Champion Jeremy Poincenot, who will share his story as well as host a VIP golf experience before the event. We know that you and your guests will enjoy an evening of inspiration, meaningful impact and fun.

Please take a moment to review the following pages and consider joining us this year. Thank you for your consideration and support in funding and building bright futures for kids with visual impairments and other disabilities, and their families.

Here's to making impact!

Thanks to our Sponsors

1,257 children with visual impairments and other disabilities and family members received services during the last year.

90%

90% of our clients and families who participated in after-school and weekend enrichment opportunities through our Family Support programs made improvements in sensory and/or adaptive learning skills to increase access and participation in their everyday curriculum.

75% of clients are from low to moderate income.

75%

98%

98% of families reported Beyond Blindness services have measurably improved the following: knowledge of their child's abilities and special needs, feelings of increased social support, and improved access to desired services and activities.

86% of the families participating in the inclusive events Beyond Blindness offers report that they help their children gain more self-sufficiency.

86%

For Beyond Blindness to provide the region's most innovative and comprehensive Journey of Care™ to children with visual impairments and their families, fundraisers and donations from individuals, family and corporate foundations, and other support groups are the way that we continue to retain our exceptional staff and provide top notch services.

JEREMY POINCENOT

World Blind Championship golfer Jeremy Poincenot has been featured on ABC's 20/20, ESPN, CNN and MTV for his inspiring story of perseverance and achievement. Now, he headlines the Beyond Blindness Vision Beyond Sight Gala to share his story of sudden vision loss at 19, a historic chip-in putt to win his first Championship, and how to turn challenges into triumphs. VIP Gala guests will experience an incredible golf experience with Jeremy prior to the event.

Come experience our most immersive, inspiring and entertaining event of the year. Together, we will celebrate the bright futures of the Beyond Blindness children and their families and raise support to accelerate growth and Fund the Future!

Starting as Services for the Blind, Inc. in 1962, then as Blind Children's Learning Center in 1983, and now as Beyond Blindness, our vision is unwavering: a world where all children, no matter their abilities, are equipped to live full and rewarding lives.

Your support as a sponsor will make this vision a reality.
