At-Will Position

Beyond Blindness is a California Nonprofit Corporation founded in 1962 whose mission is to empower children with visual impairments and other disabilities to achieve their fullest potential. We envision a world where all children, no matter their abilities, are equipped to live full and rewarding lives. We value People First, championing and building upon the inherent strengths and value within each child, as well as Family, Connection, Impact, Inclusion, Stewardship, and Optimism.

Beyond Blindness is the only organization of its kind in Southern California that provides all of the support and services — outside of medical care — that children with visual impairments and other disabilities need to develop to their highest potential and live fulfilling lives. Beyond Blindness is a one-stop support resource for these children, and their families, and provides services in clients' homes, at its location in Santa Ana, and in schools throughout Orange County.

Position Summary

The Clinical Supervisor provides direct counseling services through individual counseling, peer group sessions, and play therapy. This position will also collaborate with the Classroom Manager to support counseling and therapeutic needs for children in Early Head Start and Head Start classrooms, integrating play therapy into daily programming. The Clinical Supervisor will coordinate with university programs to screen, hire, train, and supervise counseling interns and trainees.

This position ensures that all clinical supervision, training, and counseling activities comply with the requirements of the California Board of Behavioral Sciences (BBS) and applicable program standards.

The job duties listed are intended as a guide to the general job responsibilities.
