Beyond Blindness is a California Nonprofit Corporation founded in 1962 whose mission is to empower children with visual impairments and other disabilities to achieve their fullest potential. We envision a world where all children, no matter their abilities, are equipped to live full and rewarding lives.

Beyond Blindness is the only organization of its kind in Southern California that provides all the support and services — outside of medical care — that children with visual impairments and other disabilities need to develop to their highest potential and live fulfilling lives. Beyond Blindness is a one-stop support resource for these children, and their families, and provides services in clients' homes, at its location in Santa Ana, and in schools throughout Orange County.
